### **Brookline Bank Unveils Newly Redesigned West Medford Branch. More Open and Accessible to Community.**

Brookline, MA - Brookline Bank raised the curtain on its latest redesigned branch, located at 430 High Street in Medford, with a reception this Tuesday evening.

One of three Brookline Bank branches in Medford, it features a vibrant and contemporary open floor-plan design and a specially constructed ramp at its main entrance for easier access for the disabled. The branch's newly designed ATM vestibule is brightly lit and offers enhanced visibility to and from High Street, all while maintaining the overall integrity of the building's classic architecture.

Attending the reception were Brookline Bank customers, bank management and employees from around the region. Also in attendance were local government officials, including Medford Mayor, Michael J. McGlynn and State Representative Paul J. Donato, who commended Brookline Bank for enhancing Medford's leadership role in providing access to disabled citizens, as well as for being an important component of the City's economic well-being by providing necessary banking services as well as jobs in the community.

Brookline Bank's West Medford branch is managed by Starry Poe, who can be reached at (781) 396-2744.
