

BrooklineBank

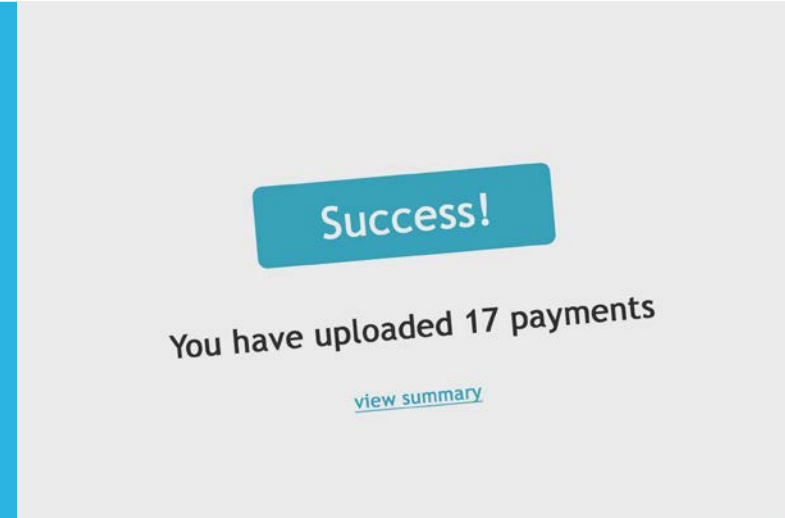

BROOKLINE BANK-FX

**MAKE YOUR FOREIGN EXCHANGE
TRANSACTIONS MORE PROFITABLE,
FASTER, AND MORE SECURE**

AN FX SERVICE THAT'S ALL ABOUT **YOUR PROFITABILITY**

Our secure online platform offers competitive exchange rates and transparency in payments, so your trading risk is reduced.

Our user-friendly interface helps you correctly organize and submit foreign currency payments, helping you avoid costly mistakes.

You can hold foreign currency balances for future use, and schedule payments. – Wallet balances not FDIC insured.

How about no fee foreign currency wire transfers? We offer you those!

AN FX SERVICE THAT'S ALL ABOUT **FASTER**

Brookline Bank-FX is easy to use – login, set up your transactions, authorize and go!

If you've got lots of transactions to process you can even upload a spreadsheet – no need to set them up one-by-one.

The Brookline Bank-FX online platform completes transactions fast – usually less than 2 days.

Speed is critical.

AN FX SERVICE THAT'S ALL ABOUT **YOUR SECURITY**

To protect you, Brookline Bank-FX features robust sanctions screening, Anti-Money Laundering (AML) and Know Your Customer (KYC) processes.

Your money is safe on its journey with our world-class security, approved by regulators and banking partners around the world.

Regulated and compliant with FATF payment standards and FCA regulations.

The Brookline Bank-FX service is ISO 27001 certified.

BROOKLINE BANK-FX – BENEFITS AT A GLANCE

A secure and user-friendly platform

Personal, hands-on attention

Leverage the benefits of our cutting-edge technology

Retain personal relationship with Brookline as your trusted advisors

Competitive exchange rates

Flexibility in services to meet your needs

Transparency in payments

Reduced costs in doing FX business

BROOKLINE BANK FOREIGN EXCHANGE SERVICES

Spot Contract

Typically two business day delivery in the Foreign Center. CAD & MXN are next business day delivery with same day delivery available (with restrictions).

Forward Contract

Either a purchase or sale of currency at some future date, or a simultaneous purchase and sale of currencies for different settlement dates.

Variable Delivery Forward Contract

Similar to a Forward Contract except that settlement can occur over a pre-defined window of dates.

Foreign Currency Wallet

Our answer to foreign currency accounts without the fees associated with maintaining those accounts. Your pre-purchased currencies are available to you on demand. Using the Currency Wallet can also replace costly Variable Delivery Forward Contracts. Note: Balances are not FDIC insured.

No Fee International Wire Transfers

Quick, efficient, and transparent movement of funds.

FX Drafts

Drawn on the Bank's correspondent network denominated in foreign currency. Visit your local Brookline Bank office for more details.

FX Banknotes

Foreign currency delivered to your nearest Brookline Bank office within 48 hours.

Risk Management Advisory

The Bank's experienced FX Advisors will provide market commentary and work with you to devise a FX plan to best suit the needs of your company.

International Check Collections & Cash Letters

Provides for timely settlement of foreign denominated checks presented for payment.

THE BANK YOU KNOW – BUT MORE GLOBAL

Darryl Fess, President and
CEO of Brookline Bank

Your business no longer needs to look to a global bank to get sophisticated foreign exchange (FX) solutions.

We can now deliver those services more efficiently for you with personal, hands-on attention.

Brookline Bank's Foreign Exchange Services provide a complete solution for any business that deals with overseas transactions.
